SIR,—

I have the honour to transmit to Your Royal Highness, for the information of your Ministers, a copy of a notice published in the press on the 15th June, containing information for the guidance of persons desiring to record:—

(a.) Debts (including bank balances) due to British subjects from persons residing in enemy countries:

(b.) Other property in enemy countries (including securities) belonging to British subjects.

2. The Foreign Claims Office referred to in the last paragraph of the notice has been set up at the Foreign Office for the purpose of dealing with all claims for the settlement of which no satisfactory machinery has existed hitherto, and which are

foreign in the sense that they are claims by British subjects against a foreign Government or by foreign nationals against His Majesty's Government.

I have, etc.,
A. BONAR LAW.

The Governor-General,
His Royal Highness
The Duke of Connaught and of Strathearn, K.G.,

BRITISH PROPERTY IN ENEMY COUNTRIES.

HOW TO RECORD CLAIMS.

WE are officially informed that it has been arranged that the Public Trustee shall keep a record of:—

(a.) Debts (including bank balances) due to British subjects from persons residing in enemy countries:

(b.) Other property in enemy countries (including securities) belonging to British subjects.

Any person desiring to record such claims or property can obtain the necessary form for that purpose (Form G in the first case and Form H in the second) from the Public Trustee. Applications should be made to the Public Trustee (Trading with the Enemy Department), No. 2 Clement's Inn, Strand, W.C.

It must be clearly understood that the action of the Public Trustee will be confined to entering upon the record claims of which particulars are supplied to him, and that in no way commits His Majesty's Government either to responsibility for the correctness of the claim entered or to taking any action on the conclusion of hostilities or otherwise for the recovery of the debts or property in question.

The Public Trustee will record claims against enemy Governments in respect of public securities of those Governments held by the claimants, but other claims against enemy Governments (e.g., in respect of goods or property requisitioned or sequestered) as distinct from claims against enemy subjects should be notified to the Director of the Foreign Claims Office, Foreign Office, S.W.

ORDERS IN COUNCIL.

AT THE EXECUTIVE COUNCIL CHAMBER.

VICTORIA, B.C., 14th July, 1915.

PRESENT:

HIS HONOUR THE LIEUTENANT-
GOVERNOR IN COUNCIL.

ON the recommendation of the Honourable the Attorney-General and under the provisions of the "Court Rules of Practice Act" and all other powers thereunto enabling, His Honour the Lieutenant-Governor of British Columbia, by and with the advice and consent of his Executive Council, doth order as follows:—

1. During the war no probate of a will or letters of administration of the estate of any German, Austro-Hungarian, or Turkish subject, wherever resident, shall be granted in respect of any assets in this country without the express licence of the Crown acting through the Minister of Finance.

2. In all cases where probate or letters of administration are granted during the war to any person entitled thereto, the grant shall be made upon the condition that no portion of the assets shall be distributed or paid during the war to any beneficiary or creditor who is a German, Austro-Hungarian, or Turkish subject, wherever resident, or to any one on his behalf, or to or on behalf of any person resident in Germany, Austro-Hungary, or Turkey, of whatever nationality, without the express licence of the Crown acting through the Minister of Finance; and if any distribution or payment is made contrary to this condition the grant of probate or letters of administration will be forthwith revoked.

3. Any applicant for letters of administration or probate during the war shall furnish evidence to the satisfaction of the Judge to whom application is made that the person in respect to whose estate such probate or letters of administration are applied for was not a German, Austro-Hungarian, or Turkish subject; or, failing such evidence, shall produce the licence of the Crown that such probate or letters of administration may be granted. Such applicant shall also give such information as the Registrars of the Courts may require in order to ascertain whether any of the assets would in time of peace be distributable or payable to any such subjects, and if required shall make a statutory declaration as to the assets and their disposition in the event of probate or letters of administration being granted.

4. In cases deemed by him proper, the Minister of Finance may sanction the payment of moderate sums out of assets to beneficiaries or creditors who are German, Austro-Hungarian, or Turkish subjects resident in this Province at the commencement of the war and during the war.

And that the Order in Council herein, No. 553, dated the 15th May, 1915, be rescinded.

DOMINION ORDERS IN COUNCIL.

[217]

AT THE GOVERNMENT HOUSE AT
OTTAWA.

Friday, the 4th day of February, 1916.

PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR-
GENERAL IN COUNCIL.

HIS Royal Highness the Governor-General in Council is pleased to order that the regulations for the survey, administration, disposal and management of Dominion lands within the Forty-mile Railway Belt in the Province of British Columbia shall be and the same are hereby amended as follows:—

Subsections (a) and (b) of section 19 of Order in Council of the 17th September, 1889, are hereby rescinded, and the following provisions substituted therefor:—

(a.) Application for homestead entry by proxy may be made by a person applying on behalf of a husband, father, mother, son, daughter, brother, or sister, when duly authorized to do so in the form prescribed. In such case the proxy shall appear in person before the agent of Dominion Lands for the district in which the land applied for is situated. Application for entry by proxy shall not be accepted by a sub-agent. The homesteader on whose behalf such entry is made must, before the expiration of six months from the date of the entry, appear personally before the agent for the district (not a sub-agent) and satisfy him by declaration so provided that he is already in residence or on his way to commence such residence, and in the latter case that he will be in residence before the end of the six

months. Should he fail to appear, the agent shall cancel the entry without notice at the end of six months from date of entry. No extension of time within which to commence residence duties shall be granted in connection with a proxy entry. The provisions of this paragraph shall be retroactive so as to apply to the case of any entry made by proxy before the coming into force of this order.

(b.) Notwithstanding anything contained in the above provisions, if any person who is a member of any body or force serving with the forces of Great Britain or of any of her Allies during the present European War secures entry for a homestead on Dominion lands by proxy, such entry, whether secured before or after the date at which the entrant enlisted or was recalled for active military service, shall take the same standing and be dealt with in the same way as if it had been made in person instead of by proxy; and the person on whose behalf such proxy entry is made shall be entitled to share in the benefits of the Orders in Council of the 17th October, 1914, 19th June, 1915, and 6th January, 1916, in so far as the same would be applicable to him if his entry had been made in person.

Nothing in these regulations shall be held to confer any right or claim upon any entrant who, being engaged on active military service as aforesaid, has failed to notify the agent of Dominion Lands for the district in which the land is situated of the fact of his being so engaged, in ample time to enable the agent to note the fact in his records so as to prevent the cancellation of the proxy entry for non-appearance at the end of six months from the date thereof.

Nothing in these regulations shall be held to confer any right or claim in the case of any proxy entry which has already been cancelled for non-appearance.

In any case where cancellation has already been carried out the Minister of the Interior may restore such entry, provided he finds that the land affected thereby is still vacant and available for the purpose, and upon restoration such entry shall thereupon become subject to the provisions of this Order in Council.
